Jims Shoe Nick x R C Royal Princess
Fostered in FL

Charlie is a beautiful old-style Morgan stallion, a flashy black with four white feet and an incredible presence. He is an impeccable gentleman who behaves like a gelding, even around mares, and is willing, kind and gentle.

A quality stallion with many registered and unregistered offspring, Charlie has been a beloved and trusted driving horse for one of FM's Amish friends. He has led a good life with a conscientious and caring owner. He foundered when he was seven, but with good farrier care has still been able to be a buggy horse and breeding stallion. But the farrier has recently retired and the replacement can't give Charlie the care he needs, so his owner has asked FM to help find a home that can take care of him. Charlie was not previously trained to ride but is learning quickly and easily; his foster home is already riding him on trails and says he is absolutely perfect. At his age it might be difficult and dangerous to geld him, but FM will consider it if needed for him to have a good home.
