

Adopt

A family who loves you, a comfortable place to rest, plenty to eat and drink, a purpose in life, a sense of peace -- that is what every horse deserves. There is no place like home.

*Can your barn be home for a
Forever Morgan?*

Rescued Morgans have gone on to be successful show horses, beloved family riding and driving partners, and done therapeutic handicap riding. There is no limit to what these horses can do!

Foster

FM is a “virtual barn” with no facility, relying on foster homes all over the country. Horses that are rescued and not immediately adopted need a place to stay, to be cared for, helped to recuperate, taught that humans can be trusted, and be evaluated in preparation for adoption by their forever homes. Fosters treat the horse like it is one of their one and provide updates and photos to help the horse find its forever home. A foster’s expenses are considered a donation for tax purposes.

Educate

Pampered show horses discarded when they no longer brought home ribbons, pleasure riding horses whose owners had financial problems or lost interest, and Amish buggy horses who spent years pounding pavement and pulling heavy loads. They are unwanted, possibly old or injured, sold cheaply.

When we contact the former owners of rescued horses, they often say they didn’t know of options other than sending the horse to auction or selling it to a broker. They are thankful for Forever Morgans and relieved that the horse is safe. Many have contacted us to help find homes for other horses.

Donate

Forever Morgans is only able to rescue horses because of support from many donors. FM is a non-profit, volunteer-supported, 501(c)3 organization. All donations are tax-deductible; our federal tax identification number (EIN) is 45-4935830.

Support

There are many ways that you can help! We need foster homes, forever homes, and people that will help us find those homes. We also need funds to continue our work and volunteers to help with publicity, checking references, representing FM at events, getting updates on horses, and doing all the behind-the-scenes work that rescue entails. We have FM shirts, calendars, totes and other merchandise that provide funds for the organization and help spread the word about what we do. Everything helps save horses!
