

Forever Morgans

501(c)3 nationwide Morgan rescue

Forever Morgans Rescue, Inc. is an all-volunteer, non-profit rescue organization that strives to help Morgan horses in immediate need and places them in adoptive or foster homes. Horses come from broker lots, auctions, neglect and abuse situations, and owner surrender. We always need foster and adoptive homes, donations, and volunteers.

We are a virtual network of volunteers that helps Morgans in dire straits find new homes. We are a "virtual barn" with no facility. Our horse are in foster care all over the country.

We are committed to each horse for his or her lifetime. Each horse is adopted with a contract to ensure they do not end up at auction again. Many of these rescued Morgans have gone on to be show horses, family riding and driving horses and for therapeutic handicap riding. We have saved over 350 horses since 2005! Please join us and help save even more!

We are a 501(c)3 non-profit organization recognized by the IRS. Our federal tax identification number (EIN) is 45-4935830. Donations are tax deductible as allowed by law.
